November 2006

Dear Client,

Two years ago, Genworth Financial, Inc. began its journey to complete independence from General Electric Company (GE) through one of the largest public offerings in history. Since that time we have been making changes to reflect this new identity.

As part of our transition to the Genworth name, the legal name of GE Group Life Assurance Company (GEGALAC) has been changed to Genworth Life and Health Insurance Company (GLHIC). You may have already seen this name on our recent correspondence with you.

We want to assure you that the coverage you purchased from GE Group Life Assurance Company as well as the administrative and billing procedures currently in effect will not change because of this name change. What you are already seeing are changes in the appearance of our forms as we begin to incorporate our new Genworth name and logo into our operations. You may continue to see our former name in some correspondence during this transition period as we work to update our systems and modify our forms.

Every employee insured under your current GE Group Life Assurance plan needs to be made aware of this transition. To help you communicate this change to your employees we are providing a name change endorsement to show that Genworth Life and Health Insurance Company provides coverage for your firm. A copy of this should be distributed to each employee for attachment to his or her existing certificates. If your employees have elected to receive information in electronic form, the forms may be downloaded from our website at www.gefinancialbenefits.com.

We anticipate that the most commonly asked question you will receive from your employees will be about using their current Identification (ID) cards. All current cards with the GE Group Life Assurance Company name will remain active and may be used by your employees. That is, they do not need cards with the new name in order to access their benefits. If you have received cards reflecting the new name, your employees may start using them at any time.

We look forward to continuing to service your employee benefit needs. If you have any questions regarding your coverage or the products and services available to you through Genworth Life and Health Insurance Company, please contact your broker or your Group Policyholder Service Department at 1-800-451-2513.

A handwritten signature in black ink that reads "Suzanne M. Schoch".
